Join The Leawood Foundation

Here is your opportunity to join your friends and neighbors in Leawood to both preserve the Leawood lifestyle and to make it even better by providing our community with the things we believe are important for our children, parents, families and for ourselves. The Leawood Foundation works to provide our community with those amenities that our city's budget may not accommodate.

Activities include preserving one of the

few one-room schoolhouses left for our children to see and understand how learning took place "on the prairie,"

helping our community commemorate the Leawood City Hall courtyard and hosting the delegation from our sister city, I-Lan, Taiwan. Now is the perfect time for you to become involved.

Complete the information panel to the right and send it to us, The Leawood Foundation. We look forward to your decision to become involved in the fabric of Leawood. Join Today!

Thank you,
The Leawood Foundation
